MEMORANDUM FOR THE RECORD

SUBJECT: Fund Drive History Project

25X1A

1. C/BS [redacted] telephoned me this morning re the subject project. He said he was aware of the pressure of time and apparently nothing had happened since 13 Nov 70 when DD/Pers/SP forwarded a draft about which he expressed doubts. At that time he indicated that another draft would be forthcoming.

25X1A

2. I agreed with Mr. [redacted] that it might be productive for Mr. [redacted] to review the draft with Mr. [redacted]. However, I told him I had agreed with Mr. [redacted] that there was no point in simply sending the paper forward to Mr. [redacted] in view of Mr. [redacted] questions about the "facts" and style of the paper.

3. Mr. [redacted] feels that it will help move things forward if Mr. [redacted] meets with Mr. [redacted] and will so arrange. In the meantime we agreed that I should continue to hold the original of the draft.

3 - I'm forwarding only to let you have the draft or something in hand. I'm very uncomfortable about the "facts" in this paper and also acknowledge that the language and style need improvement. We'll send you another draft.
